- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive nor inhumane.

Questions that arise that are not covered by either AHA or EC rulebooks will be decided by the Show Committee and their decisions will be final.

2. **Per Article A801**, every entry at an EC-sanctioned competition shall constitute an agreement by the person responsible that the owner, lessee, trainer, manager, agent, coach, driver or rider and the horse shall be subject to the EC constitution and all the rules of EC and any additional rules set by competition. It is the responsibility of all individuals participating in any capacity in EC-sanctioned competitions to be knowledgeable regarding the EC constitution and the applicable rules of EC-sanctioned competition in any capacity if you not consent to be bound by the constitution and rules of EC and any additional rule imposed by the competition.

3. Exhibitors must ascertain when their stock will be judged. **Calling of classes is a courtesy only.** Exhibitors failing check-in at the hitching ring may have their animals excluded from their class.

2. In the event of a fall/accident where a concussion can be reasonably suspected, (not limited to a direct blow to the head or loss of consciousness), the competitor must receive medical clearance by qualified medical personnel onsite, through the EC Accident Injury Report Form before continuing. The competitor is solely responsible for ensuring the onsite medical assessment takes place by the onsite qualified medical personnel. If the competitor refuses to be evaluated, he/she is disqualified from the event.

If the qualified medical personnel suspects a concussion (regardless of symptoms displayed), or believes that the competitor may be at risk of concussion due to the nature of the fall or impact, the competitor is suspended from competition until medically released, as outlined in paragraph 6 below.

6. In the event a competitor is determined ineligible to compete per one of the above conditions, the competitor must submit the EC Return to Play Form to EC, completed by a licensed physician. The EC Return to Play Form will be processed by EC within two business days, at which point the competitor will be removed from the EC Medical Suspension list and may return to regular competition. If the competitor wishes to compete after being medically released by a physician but before the EC processing period of the form, the competitor must also submit a copy of the EC Return to Play Form to the show secretary. In this case the competitor is competing at their own risk and may be pursuant to fines and penalties if the form is found to be incomplete in any way.

7. No competitor shall compete in an EC sanctioned event while on the EC Medical Suspension List. It is the responsibility of the competitor to refrain from competition and the competition organiser may refuse entry to anyone currently on the EC Medical Suspension List.
